OUR STORY

Born From a Love of *Good Coffee*

Bloom started in 2019 with a simple dream — to create a café that felt like a warm hug. We source our beans directly from estates in Coorg and Chikmagalur, roasted to perfection every week.

Every corner of Bloom is designed to make you slow down, breathe, and enjoy the moment. Whether you're here with a laptop, a book, or a friend — this is your place.
